March 2014 Volume I, Issue 1

What's Our Goal?

Our goal is to bond together in Christian sisterhood as we study God's Word, render service to others and reflect the love of Christ to all mankind.

We Are Off To A Great Start!

The Women's Ministry had its first meeting of the New Year on January 11th. President Irene Brown came with great energy and enthusiasm as she led in the selection of the 2014 ministry officers and presented the ladies with a tentative list of activities and ideas for the New Year. She stressed that she wanted the Women's Ministry to truly minister to people—to be a group with a mission to help others.

Ladies of Logos Fast at Work!

From the Ladies in Red fundraiser organized and spearheaded by Sister Laverne Harris a few years back, to sponsoring and participating in local sidewalk and garage sales, the ladies of Logos have been hard at work to raise money for the church's Building Fund. The Ladies in Red was a huge success, and the ladies of Logos have been steadfast in their efforts to help finance Logos's proposed worship facility. They continue their stride as they get ready to join with the Wells Branch Library in its neighborhood garage sale on Saturday, March 29th from 7AM to 12 Noon. The ladies welcome all donations of saleable goods and the support of the Logos family in this endeavor.

Forms Of Mission

Logos' Women's Ministry is diligent in its efforts to be a working service ministry. The ministry has sponsored a child in Africa, adopted Lifework families at Christmas, adopted Logos families at Christmas, and visits and supports our members who are sick, shut-in or in need. We welcome all ladies of Logos to join our efforts to spread love. Currently, we have an on-going blanket drive to collect blankets that will be donated to various shelters, seniors, the homeless and anyone who may have need.

A Word!

"Favour is deceitful, and beauty is vain: but a woman that feareth the Lord; she shall be praised.

Give her of the fruit of her hands; and let her own works praise her in the gates."

Proverbs 31:30-31

Black History

On Sunday, February 23rd, the Women's Ministry organized another fantastic Soul food Potluck feast in recognition and remembrance of our history. The culinary delights were those that many of us and our forefathers grew up eating—foods that were available to slaves and the poor in years past, such dishes as black-eyed peas, turnip and cabbage greens, neck bones, rice and fried chicken.

bond, fellowship and plan service projects, we also focus on the study of God's Word and strive to have an inspiring, motivational lesson at each meeting. Recently, we had a lesson that addressed God's purpose for our lives. The lesson stressed that there are five essential purposes for which we were created:

- (1) To love God (Worship)*
- (2) To love others (Fellowship)*
- (3) To be like Christ (Discipleship)*
- (4) To serve others (Ministry)*
- (5) To tell others about Christ (Evangelism)*

Christian Fellowship

The Logos ladies have hosted a number of prayer breakfasts in recent years and were blessed to have our own Stella Bell speak and share words of wisdom at our most recent one. We were also invited to share in a lovely prayer breakfast hosted by our neighboring sisters at St. Mary's this past year. These opportunities to come together for prayer and praise have been uplifting and inspiring and have fostered fellowship with others that we hope to continue in the future.

Wanted

Christian women who desire to grow. Limited experience okay. Must learn, teach and/or share talents, gift and service with others as God commanded.
