What's Our Goal?

Our goal is to bond together in Christian sisterhood as we study God's Word, render service to others and reflect the love of Christ to all mankind.

GARAGE SALE DEEMED A SUCCESS!

As planned and announced earlier, the Women's Ministry participated in the Wells Branch Neighborhood Garage Sale on Saturday, March 29th from 7am until 12 noon. Several Logos ladies and a few Logos men came out to man the tables and to fellowship, as good were sold.

The early morning weather was really cool, but it warmed up as time passed, and everyone seems to have enjoyed the camaraderie. Sales were good, and all unsold items were donated to charity. All proceeds from the sale were contributed to the Logos Building Fund.

FATHER'S DAY FOR THE MEN OF LOGOS

The Logos ladies treated the Logos men to breakfast at Golden Corral on Saturday, June 14^t in recognition of Father's Day. Then, on Sunday, June 15th, Father's Day, the fathers were presented gifts--a devotional and a key chain. They were also served cake after church service. The ladies of Logos were happy to acknowledge and honor the men because they realize that Logos is blessed to have strong, devoted men who are great fathers.

WE BID FAREWELL TO A GREAT FAMILY

The Women's Ministry bids farewell to our delightful sister—Wanda Smith—and her considerate and caring husband—Van. Wanda and Van are a wonderful couple. They have been an exceptionally hardworking team at Logos and have added much to our family. Wanda has been the Women's Ministry's "idea bank" and has always added energy and fun to every event. Van has been a willing, faithful and capable Sunday school teacher and devoted deacon. Both have been thoughtful, kind and generous with their time and resources. They are two people that could be counted on to help with any program or project.

Farewell and congratulations, also, are in order for Gabrielle as she prepares for her new job and life in Irving. She, too, has been dutiful and faithful to her Logos family as she was forced to split her time between rigorous studies and life demands.

With mom and dad in Houston and Gabrielle in Irving, we do not think that Bethany will be heading to Pflugerville when she has holidays and breaks from college at Texas A & M; so, we say our farewells to Bethany as well. The Logos family watched Gabrielle and Bethany work in church from their years in the youth department to their current young adult status. Both of them have been positive members of the Logos family and will be greatly missed.

The entire Smith family has been a model of Christian character and conduct. They have been outstanding in all that they have done for Logos and in the accomplishments they have made in their individual personal lives. Yet, they have been modest and humble and ever so willing to give of themselves to others.

Romans 12:11-15 summarizes and depicts the kind of people the Smiths are and the kind of service they have graciously rendered:

"Not slothful in business; fervent in spirit; serving the Lord;

Rejoicing in hope; patient in tribulation; continuing instant in prayer;

Distributing to the necessity of saints; given to hospitality.

Bless them which persecute you; bless, and curse not.

Rejoice with them that do rejoice, and weep with them that weep."

Understandably, the Logos family will indeed miss a family who lives the Christian life described in the preceding verses. We sincerely wish them well, and we pray for God's choicest blessings upon all of them as they relocate and embark upon new territories and ventures in their lives. Farewell, dear friends, you will be absent from our presence but forever in our hearts.

TRIBUTE TO PASTOR'S WIFE

On Sunday June 15th, the Women's Ministry president—Irene Brown--gave a beautiful tribute to our pastor's wife—Nyralin Kline—during the 3 O'clock anniversary program; wherein, Pastor and Sister Kline were recognized for their 12 years of service as pastor and wife of Logos Baptist Church. Sister Brown eloquently gave Sister Kline words of gratitude and appreciation for the role she plays as the pastor's wife. As always, Sister Brown was gracious and encouraging as she spoke and presented the Women's Ministry gift to Sister Kline.

BLANKETS TRICKLING IN!

January may seem like a long time from now, but the days, weeks and months seem to pass so quickly until it will be surprising how soon the winter season will set in and we will have reached our January deadline for blanket donations. Thus, please accept this notice as a friendly reminder to start or continue to bring new blankets to add to our collection of blankets that will be distributed to shelters and the homeless during the winter months.
